Villa T4 in São Gonçalo, Funchal

Amazing and completely unique traditional style Villa located in São Gonçalo, on top of a mountain with an altitude of around 100m2 from the sea level. This unique location/position offers an amazing sea-front view of the sea, a beautiful view of the harbor of Funchal and excellent sun exposure throughout the day.

The house is a single storey house, spacious and completely furnished. There is also a covered pool that can be heated and of course, a very large garden surrounding the house. There are also 3 more separated houses (one studio house; one bedroom house and a two bedrooms house) that are ideal for holiday rentals.
