Apartment T2 in Canico

Amazing 2 bedroom apartment, wonderfully located, facing south towards the sea, in a sunny and very quiet area, where you will find mountain and amazing ocean views from the 4 balconies.

Part of a closed condominium, it's in the top floors and can be considered as a "Penthouse" due to the shape and the arrangement of the building.

Beautiful outdoor spaces and large indoor areas, windows and skylights which allow plenty of natural light the whole day and offer great natural ventilation.

One of the bedrooms is a suite with a private bathroom.

Up to 3 parking spaces which includes a private charging station for electric vehicles.
